

# Alexander Wymann

Deputy Managing Director, Fund Administration

Mr. Alexander Wymann (1974) completed a bank apprenticeship with LGT Finanz AG, Vaduz, a subsidiary of LGT Bank in Liechtenstein AG. From 1993 to 1997, he worked for LGT Finanz AG as a specialist for leasing and special financing. Mr. Wymann gained profound insights into portfolio management and derivative financial instruments; he attended the “Modern Portfolio Management” course of the College of Technology and Economics in Chur and the curricula “Private Banking 1 – 4” at the University of Applied Sciences in Liechtenstein.

Since 1997, Mr. Wymann has been active as a fund administrator for IFM Independent Fund Management AG, specializing in the fields of fund administration, reporting, and controlling. Mr. Wymann is responsible for the administration of various funds in the category „Investment Company For Other Securities With Increased Risk“ launched by IFM Independent Fund Management AG. Since May 2003, Alexander Wymann has served as deputy managing director of the company.
